Dear Members,

This is to advise you that the Executive Committee has made the difficult decision to postpone our National Convention until Spring 2012.

We are not unmindful of the difficulties of these challenging economic times, especially in our community. We certainly want to be sensitive to these circumstances, and we also want to ensure that we at National Headquarters are effectively allocating our resources to ensure that NCNW is best positioned for the critical year ahead.

I know this will be a disappointment to many of you, but I assure you that our 2012 Convention will be worth the wait. We look forward to seeing you in the Spring. I will be in touch with you shortly regarding the new date and with additional updates regarding our plans for the future.

Sincerely,

A handwritten signature in black ink that reads 'Barbara L. Shaw'.
